RE: INFORMATION FOR NEEDS FOR AND ALTERNATIVES TO (NFAT)

Dear Mr. Fichot,

In our meeting dated September 6, 2013 you requested a number of different documents to assist in preparations for the Needs For and Alternatives To (NFAT) process; attached are these documents. It is important to note that all documents printed on blue paper are to be treated as confidential are not to shared or duplicated. Documents printed on standard white paper are public information. Below is a summary of the information provided:

1. Project Descriptions for Keeyask and Conawapa, including:
 - a) Quantity summaries
 - b) Actual costs to date for the Keeyask Infrastructure Project construction
(CONFIDENTIAL)
2. Lesson Learned on Wuskwatim (refer to Capital Cost presentation from the Sept 6, 2013 technical conference)
3. Stress Test Documentation for the 2012 Estimate Updates for both Keeyask and Conawapa (CONFIDENTIAL)
4. Schedules for Keeyask and Conawapa (refer to NFAT submission, chapter 15, pages 25 and 26)
5. Keeyask Project Execution Plan (CONFIDENTIAL)
6. Keeyask Contracts (CONFIDENTIAL):
