Re: MH NFAT and Socio-Economic Considerations

The Board acknowledges receipt of Mr. Roddick's January 20, 2014 letter and Mr. Regehr's January 24, 2014 letter (copies of which are attached).

The Board's records reflect that Tataskweyak Cree Nation, War Lake First Nation and York Factory were provided with copies of the NFAT Public Notice. A copy of the Affidavit of Service by Manitoba Hydro has been provided to you.

While the PUB's NFAT Panel will not be meeting with you and/or your clients during the currency of the NFAT Hearing Process, should your Clients want to present socio-economic evidence, they should approach MKO (or other Intervener approved to address socio-economic matters) to determine whether a 'coalition' will be proposed to the PUB for consideration and approval.

Alternatively, should your Clients want to make non-evidentiary Presentations to the PUB NFAT Panel on February 27, 2014, please contact our office to schedule a time.

Sincerely,

"Original Signed By"

H.M. Singh
Secretary
