

2017/18 & 2018/19 ELECTRIC GENERAL RATE APPLICATION**Manitoba Hydro Undertaking #56**

Manitoba Hydro to provide the Board with an indication of how much Manitoba Hydro has paid KPMG since May the 2nd on the Keeyask project and, likewise, how much they've paid KPMG related to the Bipole III project. (TAKEN UNDER ADVISEMENT)

Response:

The Keeyask expenditures for KPMG services from May 2016 to the end of December 2017 is \$3.7 million.

With respect to the Bipole III project, as noted at Transcript page 5708, prior to May 2016, KPMG was engaged to conduct a health check on the Bipole III project processes and services. Total payments to date to KPMG associated with the health check are \$199,510, of which \$71,316 have occurred since May 2, 2016.
