Subject: RE: Manitoba Hydro - COSS Model

Hello All,

Manitoba Hydro has not been in a position to respond to the Coalition's Monday July, 17, 2017 request for the PCOSS 18 model submitted (both the interim rate process and vacation schedules have impacted our ability to deal with the request). Manitoba Hydro intends to address provision of the model later next week. Manitoba Hydro has no objection to providing Intervenor's four working days from the time the model is provided to submit Information Requests related to the PCOSS 18 model.
