Mr. D. Christle
Secretary and Executive Director
Public Utilities Board
400-330 Portage Avenue
Winnipeg, Manitoba
R3C 0C4

Dear Mr. Christle:

RE: MANITOBA HYDRO 2017/18 & 2018/19 GENERAL RATE APPLICATION – REVISED RATE SCHEDULES TO BE EFFECTIVE AUGUST 1, 2017

On August 3, 2017, the Public Utilities Board (“PUB”) issued Order 85/17 approving Rate Schedules reflecting the 3.36% across-the-board rate increase approved in Order 80/17 to be effective August 1, 2017.

Manitoba Hydro has identified a correction required in the Area and Roadway Lighting (Outdoor Lighting) Light Emitting Diode (“LED”) Rates at Page 20 of the Rate Schedules approved in Order 85/17. Manitoba Hydro has included as Attachment 1 and 2 to this letter a marked-up copy and a clean copy of Page 20 of the Rate Schedules. Manitoba Hydro is seeking the PUB’s approval of the revised rates identified in the attached.

Manitoba Hydro notes no customers would be impacted as a result of this correction to the Rate Schedules, as no bills have yet been issued to customers under the Area and Roadway Lighting (Outdoor Lighting) 150 LED 2/100’ or the 150 LED 4/100’ rates identified in the attached.

Should you have any questions with respect to this submission, please contact the writer at 204-360-3946 or Greg Barnlund at 204-360-5243.

Yours truly,

MANITOBA HYDRO LEGAL SERVICES DIVISION
