

2017/18 & 2018/19 ELECTRIC GENERAL RATE APPLICATION**Manitoba Hydro Undertaking #24**

Manitoba Hydro to determine if data collected in the 2014 residential energy survey is available, and if so how many households received the survey.

Response:

There were 708 residential basic customers residing on-reserve who received the survey under the 2014 Residential Energy Use Survey with 34 surveys completed and returned.
