Undertaking #17

Please provide the July 2017 Public Polling Results regarding public perception on higher risk drivers paying more.

RESPONSE:

Manitoba Public Insurance submits the following polling information from the Rolling Poll for years 2013-2017.

Figure 1: MPI Rolling Poll results on public perception of higher risk drivers paying more.

Amount good and poor drivers should be paying for vehicle insurance

Q117. Do you think that GOOD drivers pay too much, too little, or about the right amount for their vehicle insurance from Manitoba Public Insurance?

Q119. Do you think that POOR drivers pay too much, too little, or about the right amount for their vehicle insurance from Manitoba Public Insurance?

Line No.		Good drivers				Poor drivers				
		%				%				
		Jul '17 (n=800)	Jul '16 (n=800)	Jul '14 (n=800)	Jul '13 (n=800)	Jul '17 (n=800)	Jul '16 (n=800)	Jul '14 (n=800)	Jul '13 (n=800)	
1	Too much	48%	47%	46%	47%	8%	7%	4%	4%
