**Undertaking #13**

MPI to provide an explanation as to why the response to PUB (MPI) 2-36 is a 4.3 percent increase.

**RESPONSE:**

The \$17.5 million is approximately 1.73% of the rate. However, the corporation also included an adjustment in this year's application for reduction in premium for rate appeal. This amount is worth \$0.8 million and reduces the rate impact by 0.08% to 1.65%.
