Re: Centra Gas Manitoba Inc's ("Centra") Withdrawal of its Review and Vary Application Related to the Furnace Replacement Program Refund Rate Rider

This letter decision is to confirm that the Public Utilities Board ("Board") has accepted Centra's March 30, 2020 written request to withdraw the Review and Vary Application in which Centra initially sought to discontinue, effective April 1, 2020, the Furnace Replacement Program Refund Rate Rider.

Centra has indicated in its March 30, 2020 letter that discontinuing the Furnace Replacement Program Refund Rate Rider as initially requested would have the effect of increasing customer bills for the months of April through October 2020. In light of the current COVID-19 situation, Centra does not believe that is appropriate at this time to remove the Furnace Replacement Program Refund Rate Rider.

Sincerely,

Rachel McMillin
Assistant Associate Secretary
