Additional Information
(For organizations only) Please describe the mandate of your organization and provide a description of the membership, including the number of members. Please also confirm whether the organization's intervention in this proceeding is supported by a resolution of the governing body, if any. Please enclose the resolution, if any, with your Application, along with supporting documentation of your mandate and membership
In applying to intervene, and in any actual intervention, in these proceedings, any statements made by McCain Foods (Canada) a Division of McCain Foods Limited are those solely of McCain Foods (Canada) a Division of McCain Foods Limited and no other company or person.
Please state your reasons for intervening in this proceeding:
McCain Foods (Canada) a Division of McCain Foods Limited's interest in intervening in this proceeding is to mitigate the financial impact from the proposed revisions to the Terms and Conditions of Service, specifically those that authorize Centra Gas to impose fees for imbalances, unreasonable daily tolerances that would apply to McCain's two plants in Manitoba. McCain Foods (Canada) a Division of McCain Foods Limited requests a more reasonable daily balancing tolerance and fee structure for its two plants.
Please state how you are directly affected by the Board's decision in this matter:
McCain Foods (Canada) a Division of McCain Foods Limited's cost for natural gas deliveries to its two plants in Manitoba would be higher and will require more time and effort to monitor and keep usages within the proposed tolerances.
Please explain whether and how you represent a substantial number of ratepayers that are otherwise not represented on issues that are within the scope of this proceeding:
N/A
Please describe your experience, information, or expertise relevant to this matter that would contribute to the Board's decision making, including any other prior interventions in regulatory matters before this Board or other decision-makers:
McCain Foods (Canada) a Division of McCain Foods Limited has two plants that are served by Centra Manitoba and have been transporting natural gas for many years. McCain Foods (Canada) a Division of McCain Foods Limited has knowledge of the current transportation services, current balancing requirements, and the proposed balancing requirements, tolerances and fees. McCain Foods (Canada) a Division of McCain Foods Limited utilizes experts in the energy industry on issues such as this and may bring them in on an as needed basis to support these efforts.

<p>Please list the key issues you intend to address in the proceeding. Please be specific.</p>		
<ol style="list-style-type: none"> 1. Manage and reduce balancing costs issued by Centra Manitoba 2. Manage and reduce the time spent on managing natural gas daily balancing 3. Increase the proposed tolerance level to a more reasonable level for the account holders to manage 4. Negotiate the ability for T-Service Customers and their Agents to use methods to mitigate imbalances through customer pooling 5. Negotiate the ability for T-Service Customers and their Agents to transact inventory account transfers, at no cost, between other T-Service Customer accounts to manage imbalances 6. Ensure any actual imbalance charges incurred by Centra MB are passed through to customers who are out of tolerance on a pro-rata basis
