Dear Parties:

Re: Centra Gas Manitoba Inc. 2019/20 General Rate Application – Declaration of Completion

By this letter, the Manitoba Public Utilities Board (“Board”) declares the Centra Gas Manitoba Inc. (“Centra”) 2019/20 General Rate Application (“GRA”) filing complete. As of the date of this correspondence, the GRA filing is accepted for filing with the Board.

This declaration of completion follows a review by Board staff and Advisors of the GRA filing, the Board’s correspondence of December 10, 2018, and Centra’s correspondence of December 12, 2018 providing additional information and documents required in order to meet base, standard and/or minimum filing requirements for the GRA.

This declaration of completion does not preclude further information being requested of Centra by the Board and/or other parties, by way of Information Request or otherwise, in the course of the Board’s review of the GRA.

Parties are requested to hold **January 24, 2019** for a Pre-Hearing Conference. The deadline for filing Applications to intervene in the GRA proceeding is **January 10, 2019**.

Please address any other questions you may have at this time to the attention of the writer.

Yours truly,

“Original Signed By:”
