Re: Manitoba Hydro – Declaration of Completion

By this letter, the Manitoba Public Utilities Board (“Board”) declares the Manitoba Hydro 2019/20 General Rate Application (“GRA”) filing complete. As of the date of this correspondence, the GRA is accepted for filing with the Board.

This declaration of completion follows a review by Board staff and Advisors of the GRA filing and Manitoba Hydro’s correspondence of December 11, 2018 providing additional information and documents required in order to meet base, standard and/or minimum filing requirements for the GRA.

This declaration of completion does not preclude further information being requested of Manitoba Hydro by the Board and/or other parties, by way of Information Request or otherwise, in the course of the Board’s review of the GRA.

Further to the Board’s correspondence of November 21, 2018, the Pre-Hearing Conference for the GRA will be held on **December 19, 2018 from 11:30 to 2:30 pm**. The deadline for Intervener Applications is **December 14, 2018 at 4:00 pm**.

Please address any other questions you may have at this time to the attention of the writer.

Yours truly,
