
2020-2023 Efficiency Plan

Efficiency Manitoba Undertaking #8

At page 353 of the Board Book of Documents, there is IR PUB/EM I-22, there is question a). Efficiency Manitoba to ask Manitoba Hydro whether it can now answer question a), so ask. And if Manitoba Hydro provides that information, to provide that information as requested in the question.

Response:

Efficiency Manitoba has contacted Manitoba Hydro with regards to this undertaking.

Manitoba Hydro has re-confirmed that the information sought in PUB/EM I-22a is not available and the response, as written, remains valid.
