Mr. D. Christle
Secretary and Executive Director
Public Utilities Board

Dear Mr. Christle:

**RE: Efficiency Manitoba Inc. ("Efficiency Manitoba") 2020/23 Three-Year Plan
Efficiency Manitoba Response - Applications for Intervenor Status
Pre-hearing Conference**

We are in receipt of the Council of Canadians' (CoC) response dated November 5, 2019.

The issues set out on the Preliminary Issues List are all being dealt with by other Intervenor's in the proceeding. Efficiency Manitoba would encourage the CoC to collaborate with the other Intervenor's as it relates to their issues of interest.

As stated in our letter of November 4, 2019, Efficiency Manitoba supports the PUB's interest in efficient and effective regulatory processes and wishes to ensure that overlap and redundancy between experts, areas of examination and intervenors are minimized.

Yours truly,

TAYLOR McCAFFREY LLP
