Ms. Colleen Kuruluk
Chief Executive Officer
Efficiency Manitoba

VIA EMAIL

Dear Ms. Kuruluk:

Re: Public Notice – Efficiency Manitoba 3-Year Energy Efficiency Plan (2020/21-2022/23)

Attached please find the Public Utilities Board's Public Notice for the Efficiency Manitoba 3-Year Energy Efficiency Plan for fiscal years 2020/21 to 2022/23 submission.

Efficiency Manitoba is requested to publish this Notice in the attached list of newspapers. Please advise if there are any changes to this list. Efficiency Manitoba is also requested to send this Notice to its current stakeholder group and to interveners or record from the most recent Manitoba Hydro and Centra Gas General Rate Applications, please see the attached contact list.

Please provide the Board with an affidavit verifying the distribution of this Public Notice.

The Board will use its website (www.pubmanitoba.ca) to receive public comments and applications to be an intervener or presenter. The Board also intends to use its website for posting important information such as schedules for Pre-Hearing Conferences, Hearing dates, etc. These will be posted in the "Important information" section of the webpage containing the Efficiency Manitoba 3-Year Energy Efficiency Plan (2020/21-2022/23) Application as well as on our Regulatory Calendar on the Board's "Home" page.

Yours truly,

Rachel McMillin
Assistant Associate Secretary

RM/KS
