ATTENTION: Dr. D. Christle, Board Secretary and Executive Director

Dear Dr. Christle:

**RE: CENTRA GAS MANITOBA INC. ("CENTRA")
Centra's Rebuttal for the Rate Re-bundling Application**

On July 15, 2021, the Public Utilities Board of Manitoba ("PUB") issued Order 77/21 providing procedural direction with respect to the review of Centra's Rate Re-bundling Application. On September 23, 2021, further to Order 77/21, the PUB issued a schedule outlining additional procedures and their expected timelines. In accordance with the schedule, Centra is to file any Rebuttal evidence by October 15, 2021.

The only intervener that provided a written submission was two consultants retained by the Consumers' Association of Canada (Manitoba Inc.) (CAC). After reviewing the consultants' submission dated September 29, 2021 and CAC's responses to the Information Requests from the PUB dated October 8, 2021, Centra has no Rebuttal evidence to file in response. This decision should not be construed in any way or manner as Centra's concurrence with the consultants' written submission advanced on behalf of CAC. Rather, Centra intends to properly address the positions advanced by the consultants as part of its Final Written Submission if they are in fact relied upon by the CAC itself within its Final Written Submission

In the event that the PUB desires to expedite the remaining procedural steps for considering this Application, Centra respectfully requests the opportunity to provide its Final Written Submission no earlier than by the close of business on Wednesday October 20, 2021, including a request of at least two business days' notice of the Final Written Submissions from interveners.

Should you have any questions with respect to this submission, please contact the writer at 204-360-3257 or Darryl Martin at 204-360-4487.

Yours truly,
