Assistant Associate Secretary
The Public Utilities Board
400-330 Portage Ave,

Dear Ms. McMillin:

Re: Comments on Process for Centra Gas Rate Re-bundling Application

Direct Energy Marketing Limited (DEML) attended the stakeholder consultation that was held by Centra Gas on January 17, 2019. DEML is active in the Centra Gas service territory and has contracts with large commercial and industrial customers, including a Canada-wide contract for certain agencies within the Government of Canada.

In order to more fully examine the re-bundling proposal of Centra Gas, DEML requests that the Public Utility Board schedule a round of information requests, followed by intervenor evidence, argument and reply argument.

If you have any questions, please contact me at (403) 463-3520.
