

## **Manitoba Hydro 2023/24 & 2024/25 General Rate Application**

### **Information checked by Daymark Energy Advisors for Public Evidence of May 18, 2023**

On page 1099 of the May 19, 2023 transcript of the public proceedings, Mr. Smith was discussing the first meeting of the executive oversight committee. Mr. Peters asked “You said now August 4, 2021, correct?” Mr. Smith replied, “Yes, subject to check, that’s – that’s my recollection of the first meeting.” Daymark has confirmed that the earliest presentation to the executive oversight committee provided by MH was dated August 2, 2021.
