**Re: Manitoba Hydro 2023/24 and 2024/25 General Rate Application
February 8, 2023 Motion re Round 1 Information Request Responses**

The Public Utilities Board (“Board”) received a written motion by the Consumers Coalition today seeking a ruling from the Board that several Round 1 Information Request responses filed by Manitoba Hydro were insufficient and directing the utility to provide additional information.

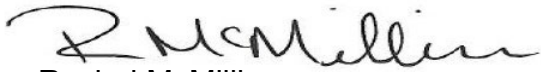

It is the Board’s intention to adjudicate the motion based on written submissions with no oral hearing. To that extent, the Board establishes the following deadlines for responding submissions and a reply, if any:

Submissions	Deadline
Responding Submissions (Manitoba Hydro)	1:00 PM on Monday, February 13, 2023
Reply Submissions (Consumers Coalition)	5:00 PM on Tuesday, February 14, 2023

Should any other approved Intervener file a motion today, the same timeline applies to that motion, with necessary changes.

The Board encourages the parties to cooperate to resolve the matter without the need for Board adjudication. If the parties are able to arrive at a settlement, the Board requests written confirmation that a ruling is no longer required.

Sincerely,

A handwritten signature in black ink, appearing to read "R McMillin". The signature is fluid and cursive, with the first letter "R" being particularly large and stylized.
