Undertaking #30

MPI to provide information about the number of initiatives or projects delivered via the lean portfolio management and Agile approach prior to 2022/2023 fiscal year.

RESPONSE:

There were no projects delivered by the use of Lean Portfolio Management (LPM) approach **prior** to 2022 GRA. LPM started in June 2021 which falls within the 2022 GRA.

Prior to LPM, IT Operations delivered 56 defined epics (initiatives) operationally utilizing the Agile approach.
