1.0 Introduction

By this Order, the Public Utilities Board (Board) approves the Taxi Coalition (TC) Application for a cost award of \$109,634.35.

The award relates to TC's intervention in the General Rate Application of Manitoba Public Insurance (MPI) with respect to Compulsory Driver and Vehicle Insurance Premiums for the 2023/24 rate year.

2.0 Application

On January 27, 2023, the Taxi Coalition, filed with the Board an Application for an Award of Costs for its intervention in the Manitoba Public Insurance 2023/24 General Rate Application.

Pursuant to Section 56 of *The Public Utilities Board Act*, the Board has jurisdiction to award costs of, and incidental to, any proceeding before the Board. For the purpose of this hearing, the Board adopted an Intervener Costs Policy. The purpose of this Policy was to set out the Board's procedures for considering requests for Intervener costs and to provide guidance to Interveners on how to apply for funding of costs for participation in Board Proceedings.

Sections 3.1 and 3.2 of the Intervener Costs Policy describes Intervener eligibility for a cost award and the Board's principles in determining the amount of the cost award:

3.1 *In any proceeding the Board may award costs to be paid to any Intervener who has:*

- (a) *made a significant contribution that is relevant to the proceeding and contributed to a better understanding, by all parties, of the issues before the Board;*

- (b) *participated in the hearing in a responsible manner and cooperated with other Interveners who have common objectives in the outcome of the proceedings in order to avoid a duplication of intervention;*
- (c) *represented interests beyond their sole business interest; and*
- (d) *a substantial interest in the outcome of the proceeding and represents the interests of a substantial number of ratepayers.*

3.2 In determining whether the Intervener should receive the amount of costs sought in a costs application, the Board may consider whether the Intervener did one or more of the following:

- (a) *made reasonable efforts to ensure that the intervener's evidence was not unduly repetitive of evidence presented by another intervener;*
- (b) *made reasonable efforts to cooperate with other interveners to reduce the duplication of evidence and questions or to combine the intervener's submission with that of similarly interested interveners; and*
- (c) *needed legal or technical assistance to take part in the proceeding;*

In May 2022, TC filed an Application for Intervener status with the Board. The Board awarded TC Intervener status on June 02, 2022 in Board Order 60/22. Included in the Board's Order was an issues list deemed by the Board as applicable to all parties for this proceeding.

On September 14, 2022, TC filed its final projected budget with the Board. Board staff acknowledged receipt of the budget.
