The Public Utilities Board is the provincial regulatory agency that reviews and approves rates for municipal water and wastewater utilities. The Board's review process involves:

- the Utility filing a rate application to the Board,
- the public notification of proposed rate changes,
- the Board's review of the application through a public hearing or paper review process, and
- the issuance of a Board Order which outlines the Board's decision on the rate application and the rates to be charged.

The Manitoba Ombudsman has recently issued privacy guidelines for administrative tribunals. The PUB is mindful of its obligations under those guidelines. Its decisions in respect of the application being considered will be sensitive to the guidelines. Personal information will not be disclosed unless it is appropriate and necessary to do so. However, the PUB advises participants that these proceedings are public and that as a result, personal information protections are reduced.

The Board will then decide whether any further notice is required and whether to proceed with a public hearing or paper review process. All concerns received by the Board will be considered in the Board's decision on rates to be charged.

PLEASE BE ADVISED THAT IN CONSIDERING THIS APPLICATION, THE PUBLIC UTILITIES BOARD MAY OR MAY NOT FIND IT NECESSARY TO DETERMINE RATES DIFFERENT FROM THOSE APPLIED FOR BY THE APPLICANT.

Note: All proceedings will be conducted in accordance with the Board's *Rules of Practice and Procedure* which the Board may vary in order to constrain regulatory costs. The Rules are available at www.pubmanitoba.ca
